Flextur Mobile Tool Socket Holders

The Flextur™ Socket Holder provides strong, dependable storage for your most-used drive sockets. Constructed from durable steel, this holder keeps sockets neatly organized and within easy reach, helping you maintain a clean and efficient workspace.

It mounts securely to any Flextur 14-gauge metal pegboard or tool board, including workstations, wall panels, and mobile tool carts. Designed to move or relocate easily, this socket holder adapts to your workflow and supports LEAN practices across various industrial and commercial environments. American Made in Dalton, Ohio U.S.A.
