Mobile Tool Board

Tools Where You Need Them

Flextur Mobile Tool Board Hooks

The Flextur™ Tool Board Hooks are a rugged, high-capacity solution for hanging heavier tools, equipment, and shop accessories. Each hook is crafted from industrial-grade steel and supports up to 50 lbs, making it perfect for use in demanding workspaces.

Designed for maximum versatility, these hooks integrate with any Flextur 14-gauge metal pegboard or tool board system, including wall-mounted panels, mobile tool boards, and workstations. Reposition them easily as your needs evolve to support LEAN practices and efficient organization. American Made in Dalton, Ohio U.S.A
