A more excellent way to work.

Workbench

Built to Work

Flextur Stationary Workbench/Pack Table - 48” x 28”

Compact Workbench with 14-Gauge Steel Top

The Flextur™ 48"W x 28"D x 35"H Stationary Workbench / Pack Table is designed for strength, stability, and efficiency. With a powder-coated 14-gauge steel worksurface, it supports up to 2,000 lbs, making it a reliable choice for packing, assembly, or bench work in industrial environments. A full bottom shelf provides convenient storage, while integrated leveling feet ensure a stable worksurface on any shop floor.

This workbench is predrilled for a Flextur Tool Board Kit, offering compatibility with Flextur Tool Board Panels and Accessories (sold separately) for enhanced organization and workspace efficiency. Made in the USA – Dalton, Ohio.
