Flextur Mobile Tool Board Accessory Kits

The Flextur™ Mobile Tool Board Accessory Kits are designed specifically for use with Flextur's 14-gauge metal pegboard and tool board panels. These kits include a variety of hooks, holders, and brackets, everything you need to create an efficient, fully customized workspace.

Each accessory is crafted from durable, high-quality materials built to withstand daily use in tough environments. Whether you're outfitting a shop, garage, or industrial space, this kit helps keep your tools organized, visible, and easy to access.

These kits provides the ideal setup for maximizing storage and efficiency. All components are also available for individual purchase, giving you the flexibility to expand or replace as needed. American Made in Dalton, Ohio U.S.A.
