Flextur™
A more excellent way to work.

Welding Cart

Heavy-Duty, Versatile Solution

Flextur Welding Cart - 48" x 30"

A made-in-USA Mobile Welding Cart capable of supporting and transporting 1,750 lbs. This Welding Cart is ideal for cobots or any on-the-go welding work cell. 14-gauge Flextur Tool Board panels, capable of supporting 50 lbs. on a single hook, provide superior flexibility and strength when organizing tools and materials within easy reach. A full bottom shelf provides ample space for a welder or cobot controller. This robust and highly mobile solution is Flextur's agile response to an industry need.

Technical Specifications

- **Dimensions:** 48"L x 30"W x 35"H
- **Tabletop Thickness:** 1/2"
- **Hole Diameter:** 16mm
- **Grid Pattern:** 2"
- **Finish:** Metal
- **Flatness Tolerance:** +/- .015" Surface Flatness
- **Weight:** 385 lbs
- **Load Capacity:** 1,750 lbs
- **Material:** Steel

Features

- **Precision:** Surface flatness within +/-.015" ensures accurate setups for complex weldments.
- **Flexibility:** Movable locator pins and a 2" grid pattern enable quick changeovers and adaptable setups.
- **Durability:** Robust steel construction supports heavy-duty applications with up to 1,750 lbs capacity.
- **Storage:** Full bottom shelf, ideal for storing welders, power supplies or materials.
- **Tool Board Panels:** Organize tools efficiently and keep them within reach.
