Wall Mount Tool Board

Tools Where You Need Them

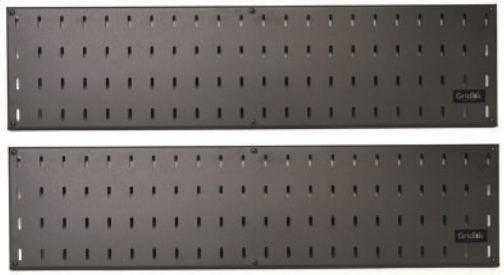

Flextur Wall Mount Tool Board Panels

The Flextur™ Wall Mount Tool Board System includes two heavy-duty, 14-gauge metal pegboard panels and 20 versatile hooks, providing a strong and customizable solution for wall-mounted tool organization. Designed for easy installation on most surfaces including standard 16" stud walls, this system comes complete with all necessary mounting hardware and clear instructions for a quick, hassle-free setup. Note: These systems are not compatible with Mobile Tool Board Workstations. American Made in Dalton, Ohio U.S.A
